

# Winter Newsletter 2022

## MESSAGE FROM OUR Chief Executive Officer

The most special thing about the New Year is that it is a new start of everything. We closed out 2022 with multiple memorable events, and 2023 has launched with a positive and productive start, full of enhanced engagement in our community focusing on career involvement with our local public school career office and technical/vocational and university programs.

Infrastructure upgrades and new life enrichment services are underway. This year, we will continue to expand our focus on wellness and new technology. We are proud of the advancements that we make in living and expanding our mission.

Birmingham Green is an extension of our county partners, supporting the communities we serve in the workforce, purposeful living, community resources, and support system.

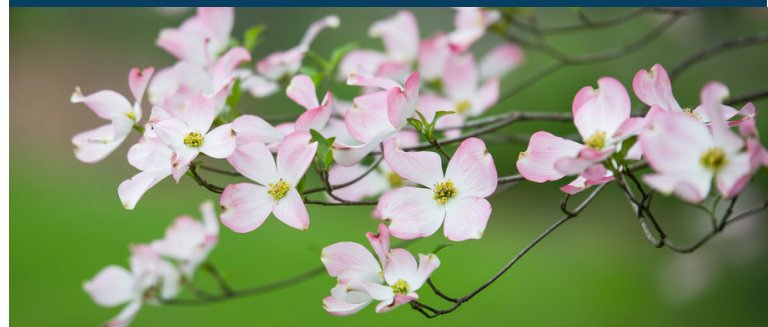

Best wishes,

*Denise Chadwick Wright*

## INFECTION CONTROL UPDATES

In October and November, our COVID-19 Bivalent Booster clinics were a success. We vaccinated 80% of our residents and 18.5 % of our staff.

We continue to screen everyone who enters our buildings and test all staff, contractors, and volunteers for COVID-19. Our Infection Control Nurses (Learning & Development Employee Health Nurses, ADON, and DON) continue to make infection control one of our top priorities for our staff and residents.

# Awards & Recognition

## Real Estate Assessment Center (REAC) Inspection

We had a Real Estate Assessment Center (REAC) inspection of Willow Oaks Court on December 5, 2022, and we are proud to announce that we received an excellent score of 96 out of 100. Our monitoring inspection done by the Department of Social Services took place on December 20, 2022, and the facility had no violations!

The results of these surveys demonstrate the hard work of our employees. It takes a village, and we are fortunate to have such a great team!

# Ways to Make an Impact

## Community Partnership with Shernell-Nellie Rawles and Psi Omicron Zeta Chapter

We had an abundance of support from Shernell-Nellie Rawles and her sorority, Psi Omicron Zeta Chapter. They helped wrap and label gifts. They also participated in our on-campus parade. At the end of the parade, they dropped off more gifts to support our Angel Tree initiative.

## Holiday Bazaar at Willow Oaks

Our residents had a great time shopping at the Holiday Bazaar at Willow Oaks. They were very excited to be able to shop from the vendors for gifts for family and friends.

## Ways to Contribute

Birmingham Green is honored that authors Ruth Hersch Perry and Edgar N. Brown have requested for all proceeds from the sale of their book, *Didn't Meet Any Geezers*, to go to the Birmingham Green Foundation. *Didn't Meet Any Geezers* will serve to educate and prepare young people for visits to long-term care facilities.
